

3 Can Learn
For The Price
of 2! (See Pg. 28)

SPECIAL OFFER

Q: What do you get when you cross Groupon, Living Social and NeighborWorks?

A: An amazing opportunity to train your staff without breaking your travel or training budgets!

Groupon + livingsocial + NeighborWorks

At our Pittsburgh, PA training institute, NeighborWorks is offering more than 100 courses, for professionals at all levels of experience, in many facets of community development. In other words, we have something for everyone looking to build skills and increase community impact.

At this event, we're pleased to provide a special offer for organizations that need training for more than one person. Pay full price for a week of training for two people in your organization — minimum \$1,150 per person — and you can bring a third learner from your organization for free. There are no course restrictions (though some courses do sell out), but all three learners must be from the same organization. We're limiting this offer to the first 50 organizations, so be sure to register today!

CHOOSE FROM TWO WAYS TO TAKE ADVANTAGE OF THIS OFFER:

- Register learners online at NeighborWorks.org/onlinereg, and then call us at (800) 438-5547 to have the fee waived for your free learner.
- Fill out the registration form in this brochure, or available online at NeighborWorks.org/onlinereg, and fax all three together to us at (800) 834-3758. Be sure to include credit card information for the two paid learners, and write "FREE OFFER" in the payment section of your third learner.

Questions? Call us at (800) 438-5547 or email us at nti@NeighborWorks.org.
