2. **TO**

Consider leadership development efforts for this group: *When leadership development at my organization is exceptional for this group - what will it look/sound/feel like? How will we know when we've reached success? Be *as specific* as possible.*

-
-

3. **HOW**

Consider: *Given what I've heard today, what's a promising practice or possible next step we should explore? What should we consider starting? Stopping? With whom should we connect? What resources should we access?*
